

SUMMARY OF GISBORNE MARKET RULES FOR STALLHOLDERS

The GREAT Association Inc. is a registered Not For Profit organisation, and manages the Gisborne Olde Time Market for the benefit of the community. Every person on site must obey all legal directions that are issued by our volunteers, for the safety and comfort of all.

- Traffic Management is now in place for safety reasons and all traffic signs must be obeyed.
- All accidents and incidents must be reported immediately to the Market Manager at the Market Office next to the Mechanics Institute building.
- Animals other than Assistance Animals may not be brought into the market, for the safety and health of all in the crowded market precinct.
- The market will be cancelled on days rated as Catastrophic in the Central District. For more detail re cancellations, stallholders should refer to the market's fire and extreme weather policy, available on the market website as below.
- Stallholders must deliver goods & equipment to their site before 7.30AM. All vehicles must be removed from the market site before 8AM. Stallholders must be ready to trade at 9AM. Stallholders must pack down including their marquees, before bringing vehicles into the market after 2.10PM.
- Stallholders must pay fees one month in advance. Advance notice is required if fees are to be carried forward, at the discretion of the management. Stallholders may lose their permanent status if they are absent for 2 markets without notice.
- Stallholders must have current public liability insurance, or participate in the GREAT group insurance. Food Vendors must have their own public liability insurance and must be registered with Streetrader. Only items approved by market management may be sold. Raffle ticket sales must be approved by market management.
- Sites are 3.2m wide X 3.0m deep and marquees must be weighted with 15kg weights on every leg. No pegs may be used anywhere in the market. Advertising must be confined to the site. All stallholders' rubbish must be taken away by the stallholder. Bins are provided for market visitors only.
- Stallholders must not smoke within 5 metres of any stall in the market area. Portable generators must be low noise and low pollution, and placed as far from stalls as possible.
- The market is generally unable to provide on-site parking for stallholders and it is the responsibility of stallholders to park legally elsewhere. The designated Ambulance Parking area must be left clear at all times.
